

REMARKS

Reconsideration of the present application, as amended, is respectfully requested.

Applicant has complied with the requirements of the Examiner by adding the word CURRENTLY to claims amended by this response. Further, Applicant believes the requirement to add a status identifier to Claim 8 is incorrect, but notes Claim 33 was presented without a status identifier and such an identifier has been added.

Applicant believes this application to now be in condition for allowance and such action is respectfully requested.

Respectfully submitted,
